

## NON-EXECUTIVE DIRECTORS' ASSOCIATION

Developing Trusted Professionals

**The Non-Executive Directors' Association ("NEDA")** is the first independent members association dedicated to NEDs. NEDA promotes and supports the day to day needs of NEDs at all levels – aspiring, new and experienced.

The objective of NEDA is to provide member NEDs with a comprehensive range of practical support and advisory services. Working with a range of Partner organisations our services include:

- A Handbook and guide to performing the NED role
- Training and education through courses and seminars (*Certificate linked to on-line test*)
- Knowledge, news and technical updates
- Insurance cover (D&O) and risk management advice
- Recruitment support for both the individual and company
- Networking opportunities at regular events
- Mentoring and coaching with access to experienced professionals

The six key features of the Association are:

1. Dedicated specialist service
2. Independent support and advice
3. Responsive to the needs of NEDs
4. Commitment to deliver quality services
5. Access to experienced NEDs
6. Strength of our Partner and Sponsor base

**NON-EXECUTIVE  
DIRECTORS' ASSOCIATION**  
Developing Trusted Professionals

## What We Promote:

- **Leadership...**

To get NEDs to think and act strategically, whilst providing the right level of independent challenge

- **Board effectiveness...**

To ensure boards have appropriate balance based on broader diversity: age, gender, geography, skills

- **Technical knowledge...**

To promote better understanding and capabilities in areas of governance, risk and controls

- **Personal development...**

To focus NEDs on setting personal objectives that provide a benchmark for measuring performance

- **Recruitment...**

To provide support and advice for individuals and organisations – to help expand the pool

- **D&O Insurance...**

To help NEDs to manage their own personal risks in the current environment

- **Networking...**

To encourage potential and current NEDs to develop networks and share experiences
